Carcelariamente (Spanish Edition) Luis Ramón Ruiz Rodríguez

La idea de vincular arte y crimen en un espacio de pensamiento y diálogo no nace de las sospechas de relación entre ambos mundos, sino de las evidencias, manifestadas éstas al menos en dos vertientes: la fascinación que al artista provoca el hecho criminal y la conmoción que en el público produce la obra de arte inspirada en el crimen. La colección de ensayos Arte y Crimen surge pues de una interlocución necesaria y la desenvuelve en otra interlocución, recíproca entre los autores y compleja entre éstos y la expresión artística. Los textos que podrá ir devanando el lector en esta cuarta entrega de Arte y crimen basculan entre dos horizontes: el de la cárcel como el mejor sitio que ha sido capaz de inventar el hombre para redimir el delito, y el del encierro involuntario de aquellos que, sin delinquir, recibieron de la Naturaleza o de la Fortuna condición de fragilidad o esclavitud. Uno y otro nos remiten siempre a un descenso a los infiernos y arañan cualquier conciencia de los que se crean libres de culpa.
