Dream about the kind of world you'd run. And use the questions and pages in this book to write them down. Make your own dreams come true!!! Divided into five sections each including Real Life Stories, lists of things women do (for example, 25 Things Women Do for their Families Between 7:55 and 8:00 am!), organizations founded by women and space to write your own butt-kicking, world-running lists. Eleanor Roosevelt said, "The future belongs to those who believe in the beauty of their dreams." Shelly Rachanow's dream is to help women figure out what the world might look like if they ran it the way they - each - want it to be.

Inspiring women to do what they can to create the kind of world they want their children to inherit. The future belongs to those of us who believe in the beauty of our dreams—and this is a book to help us catch our dreams and make them come true. A perfect any-occasion gift for the woman who wants more for all of us.
