Plot (Grove Press Poetry Series)

Claudia Rankine

Plot (Grove Press Poetry Series) Claudia Rankine

Her third collection of poetry, Claudia Rankine's *Plot* is original and enchanting, and the language, as in her acclaimed *The End of the Alphabet*, never ceases to startle and confront. *Plot* is a postmodern dialogue about pregnancy and childbirth. Liv, the expectant mother, and her husband, Erland, find themselves propelled into one of our most basic plots -- boy loves girl, girl gets pregnant. Liv's respect for life, however, makes her reluctant to bring a new life into the world. The couple's electrifying journey is charted through dreams, conversations, and reflections. A text like no other, it crosses genres, existing at times in poetry, at times in dialogue and prose, in order to arrive at new life and baby Ersatz. This stunning, avant-garde performance enacts what it means to be human, and to invest in humanity.
