Sixth Sense Stuart Wilde

It's a marvelous thing to know that you have the courage, discipline, and follow-through to enliven your consciousness. In this groundbreaking book, Stuart Wilde brings to light new and compelling information about the sixth sense and tells you how to develop it. He defines this sixth sense as sacred energy that taps you into the state of all-knowing. Once you discover the sixth sense/etheric point of view, it opens the energy centers in your subtle body and you take on more light, going naturally from stiff to pliant, flowing with life rather than struggling with it. Stuart tells us in Sixth Sense that "what you need is inner power, a personal charisma, a spiritual power, an extrasensory perception that makes you bigger than life. You garner that energy through compassion, kindness, introspection, and solidity." After reading this book, your perception of life in all its subtlety and vastness will reach beyond the mundane to a special level of spirituality.
