In truth, philanthropist singleton Tyler Warrington doesn't do empathy—he writes checks. Giving away millions is all part of a plan to schmooze into a big-shot government job. So when a baby is left at his doorstep, it's the PR opportunity of a lifetime!

One problem: who's going to take care of the diapers and drool until Tyler can track down the thing's mother? It could only be the do-gooder pediatrician who's been hounding him for funding: Bethany Hart.

But the sizzling attraction between them is causing cracks in Tyler's armor. Is the so-called most caring man in the South actually starting to care?
