In *Predestined*, abandoned at birth on the shores of a sacred loch, Bryna never knew her family or true heritage. She exists as a slave in the fortress of a Roman invader, her only friend an ancient, blind Druidess, Derina. Her life is bleak and without hope. And then Derina tells her she must rescue the prisoner in the dungeon. Tynan lies naked, chained to a cold, stone slab, both body and mind tortured by the Sorcerer, evil ally of the Roman lord. The Sorcerer's purpose? To discover if this one, at last, might be the Dark Chieftain, the fulfiller of prophecy. Even deeper in the dungeon, trapped by magical enchantment, are the faeries. They await their liberator, the one who has been prophesied. And the Dark Chieftain awaits a destiny of his own—mating with the territorial goddess—a union that will set the land, and many lives, aright. First, however, he must gain his freedom and find her. And Bryna is on her way to the dungeon. In *White Fells*, the star-crossed lovers in this absorbing fantasy novel are two warriors from opposite worlds. Princess Scotia is an earthly princess who does not believe in the fairy world until she meets a defiant captive named Boyden, who is revealed to be a legendary fey fighter trying to stop earthly incursions into his realm. As Scotia and Boyden face off, battling across the wind-scored hills and misty woodlands that border the fairy realm, their distrust erupts into a hot and eternal passion. Though they fear their love has come too late to stop the killing, they declare a truce between their two armies. In *Fey Born*, Lana, born with a weak heart and an odd birthmark, is a frail farm girl who never could have imagined being magically fated to become a fey host for the sword spirit, Valor. And now the magical sword is missing, stolen from the vaults of Tara, the faery home. The disturbing wonders altering Lana's life have only just begun. Enter Keegan, a fearless fey guardian of the waters, who must find the magical sword for his king. Believing only the physically strong deserve life, Keegan never expects to meet his match in the small, spirited beauty he needs to guide him to the sword. Across dangerous passage tombs beset with enemies, to the shadowy worlds below, through battles of the spirit and body, Lana and Keegan find that destiny has a price. And that even a forbidden and fevered love must be set aside when all the land lies in peril. As an invading army sweeps Eire's shores, a sickly girl must find the strength to face her mysterious fate and claim a guardian's heart. With a passion that, once unleashed, could lead them both into a terrible darkness. Or into the light of a forever love.
