The Gate: A Novel Dann A. Stouten

Every life is a story. Schuyler Hunt is about to come face-to-face with the author of his.

When a planned getaway with his wife turns into a shopping trip for the girls, Schuyler Hunt finds himself looking for something else to do. An ad for a vacation cottage catches his eye, and he sets off in search of a much-needed break. When he arrives, he finds something far different from the typical summer home experience. In fact, he may have found a little slice of heaven.

The proprietor--along with a number of unexpected and yet familiar guests--welcomes him with food, rest, and conversation, until what started out as an escape from everyday life turns into something much, much more . . .

"There is a real world all around us. We taste and feel it every day. There is also another world where God dwells and those who have gone before us live with Jesus. Dann Stouten helps us discover that these two places intersect more than we often notice. If we pay close attention, we just might see, smell, and learn to taste the goodness of a world beyond this one."--Kevin Harney, author of *Reckless Faith*

From reader reviews:

John Bennett:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know which you should start with. This The Gate: A Novel is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Eva Oleary:

In this era globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The book that recommended to you is The Gate: A Novel this publication consist a lot of the information on the condition of this world now. This kind of book was represented how does the world has grown up. The words styles that writer make usage of to explain it is easy to understand. Typically the writer made some analysis when he makes this book. This is why this book appropriate all of you.

Keven Peterson:

As we know that book is significant thing to add our information for everything. By a publication we can know everything you want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This publication The Gate: A Novel was filled in relation to science. Spend your spare time to add your knowledge about your research competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can really feel enjoy to read a book. In the modern era like now, many ways to get book which you wanted.

Gary Lopez:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Gate: A Novel can make you feel more interested to read.
