A Moment of Clarity Cliff Lengkonu

Have you been having trouble coping with loss? Do you want to be prepared for marriage and family? Are you wondering how you are going to deal with parenting? Is it hard for you to start and maintain a relationship? Could it be that there is more about love that you are yet to learn?

You have found the book that cover all of those issues and many more. It takes no more than one book for you to have knowledge of and the solution to various problems that everybody faces in their life.

A Moment of Clarity gives you the opportunity to see stages of life all at once because there are as many as six distinct sections in it, which are self, dating, relationship, marriage, parenthood, and farewell. It shows you what you can learn from the past, it enables you to make sense and deal with what is happening in your life, and it allows you to know and prepare for what is ahead.

After looking inside life and yourself, you will be able to choose or tell what you want, to find ways and to do whatever it takes to get it, to overcome difficulties and tests, and to deal with things greater than yourself. It is easy to understand, it is useful for many people and occasions, it is filled with things you can learn, teach, suggest, and advise.

There are many things this book offers you including, but not limited to truth, comfort, solutions, reminder, advice, warning, hope, answers, alternatives, knowledge, signs, ideas, insights, confidence, certainties, explanations, help, courage, strength, motivation, changes, and lessons.

To read this book is to see life, humans, and the world like you have never seen before.
