Strong Enough ("Tall, Dark, and Dangerous") M. Leighton

From the author of the *New York Times* bestselling *Bad Boys* novels comes the first in a dark, sexy contemporary trilogy.

Is she strong enough to trust the most dangerous man she's ever met? And is he strong enough to let her?

How would I describe myself? Well, I'm Muse Harper. I'm a twenty-something painter who loves red wine, quirky movies, and men with a fatal flaw. But that was before I met Jasper King. He became my fatal flaw. Eight months ago, I had a choice to make—abandon everything I've ever known to protect my family, or stay and risk someone getting hurt. I chose the former. My plan was working just fine until I found out my father had gone missing.

That's when I met Jasper. A bounty hunter with the eyes of a tiger and the nose of a bloodhound, he was supposed to help me find my father. What I didn't know was that meeting him was no accident. Hunting people isn't all that Jasper does. And helping me was only part of his plan. I just wish I'd found out sooner, before my heart got involved. But even then, I don't know if I'd have done things differently.

Now, I have another choice to make—trust the man that I'm falling in love with and hope that he'll do the right thing, or run as far away from him as I can get.
