## **Brazing and Soldering (Crowood Metalworking Guides)** Richard Lofting

Brazing and soldering are essential metal joining techniques for a range of jobs in the workshop. This new practical guide will introduce you to the methods and show you how to enhance these skills safely and effectively, with step-by-step photography throughout. Included in this new book is advice on equipment and building a brazing hearth; an overview of alloys and fluxes; lead loading, body and electrical soldering and pickling and cleaning. The main brazing and soldering types are also covered including soft soldering, silver soldering and brazing. There is also a range of case studies to show practical technique applications. Fully illustrated with 298 colour photographs and 2 tables.
