This book is a token of tools to teach you how to survive the different stages of life. As women, we can educate and empower young girls around the world. Through our experiences and mistakes, we learn many things that others should learn from, not endure. To prevent young ladies from making life-changing mistakes, we will take a trip down memory lane and peek into our future, learning to be strong, self-confident, understanding, encouraging, and to reach our highest potential. I hope to open your eyes to the things we sometimes overlook and disregard. I want to penetrate your heart. I want to enlighten you with food for thought that will carry you through difficult times. Teen Girls Confidential (A Mother's Letter to Her Daughter) is strictly between us girls. Let me be the first to say, I am sorry that those things happened to you! Today, believe in yourself, be stronger than your past, overcome your circumstances, and be a victim no more! I call boys and young men "George of the Jungle" because I feel they are nasty by nature.
