Disasters happen every day.  
Are your investments prepared?

The investor who knows how to anticipate historically significant or earth-shattering events—who is prepared to act when others are frozen with fear—will always have a substantial advantage. By closely analyzing potential global threats and the opportunities they present, *The Wall Street Journal Guide to Investing in the Apocalypse* offers investors the key to finding a silver lining in almost any cataclysm. Even if the catastrophic does not occur, the strategies here can pay huge dividends even under more mundane circumstances.

*The Wall Street Journal Guide to Investing in the Apocalypse* provides readers with valuable information for investment success: the ability to see opportunity where others see peril. Whether a global disaster is natural or man-made, environmental or financial, every fearsome scenario contains the seeds of profit for the investor who stays calm and thinks rather than panics and runs.
