## African Americans and the Presidency: The Road to the White House

*African Americans and the Presidency* explores the long history of African American candidates for President and Vice President, examining the impact of each candidate on the American public, as well as the contribution they all made toward advancing racial equality in America. Each chapter takes the story one step further in time, through original essays written by top experts, giving depth to these inspiring candidates, some of whom are familiar to everyone, and some whose stories may be new.

Presented with illustrations and a detailed timeline, *African Americans and the Presidency* provides anyone interested in African American history and politics with a unique perspective on the path carved by the predecessors of Barack Obama, and the meaning their efforts had for the United States.
