Before I could answer him, his lips went straight for my mouth into a passionate lip lock. I knew it was wrong to be kissing the boy I grew up with but I couldn't bring myself to push him away.

Isabel has always tried to be a good role model to her younger step, Glenn but he's always been distant and cold since the day her mother and his father got married. The distance of their relationship becomes shorter when Isabel discovers the secret that Glenn's been hiding all those years -- that he's actually a vampire.

Instead of being torn by this discovery, Isabel is fascinated by it and desperate to learn more.

But what will happen to the young and beautiful 20-year old Isabel when the two are left alone to explore their natural lustful desires?

A standalone story written in first person.
