## **Los ojos del tuareg (Tuareg 2) (Spanish Edition)** Alberto Vázquez-Figueroa

Veinte años después de haber escrito *Tuareg*, el autor -empujado por los injustos acontecimientos que están ocurriendo en el corazón de África- retoma los personajes de aquella novela, que ha pasado a convertirse en un clásico del género de aventuras. Las tribus nómadas del Sáhara más profundo llevan años sufriendo la brutal agresión que significa el paso cada año por sus tierras de cientos de vehículos en una insensata carrera que destruye vidas humanas, cultivos y ganado, sin aportar a cambio más que la estúpida gloria de llegar el primero a una meta imprecisa. Ya se han cansado. A los ojos de un tuareg, ésa es una absurda «prueba deportiva» que jamás debería volver a atravesar sus territorios, y para impedirlo están dispuestos incluso a dar la vida.
