"After over thirty-five years of investigating miracles, I do not have all the answers only God does. But of this I am sure. God is good. God is love. God wants to develop intimacy with you. God wants you to be healed more than you want your healing. God is not confined to formulas. Yeshua (Jesus) healed people in many different ways. I believe that God will use one or more ideas in this book to build your faith for healing and that the healing anointing will splash off the pages as you read these testimonies." --Sid Roth
