Rius

Toros sí, toreros no (Spanish Edition) Rius

En este libro Rius presenta una nueva perspectiva sobre la tauromaquia: la del toro, la víctima; así el autor documenta los orígenes de la "fiesta" (guácala) en el Coliseo Romano.

La considera una cruenta tradición y a la vez expone las razones por las que le pide a Dios que un toro tome venganza. El resultado es una contundente estocada a los argumentos de los taurófilos.

Por si fuera poco, esta nueva edición contiene toda la información sobre la prohibición de las corridas de toros en Cataluña. Entérese de la mano de Rius cómo por primera vez en la historia ¡ganaron los toros!
