Un Solo Sangue (Officina Marziani) (Italian Edition) Lea Rivalta

Giovanna (Gio) è una donna realizzata e apparentemente felice: è bella, ha un lavoro di alto livello, un marito, due figli, un amante.

In pochi giorni, i pilastri su cui si fonda la sua esistenza vengono abbattuti da una mano invisibile che ne conosce i segreti e le fragilità. Perde la famiglia, la casa, il lavoro e la relazione extraconiugale. La consapevolezza di essere stata presa di mira da un “fantasma” che si nutre del suo dolore, la fa sprofondare in un abisso di paura e solitudine.

Mentre avanza nel tunnel della depressione, incontra Laura, una donna ambigua e dalla forte personalità, che la attrae in una relazione destabilizzante. È il colpo di grazia per il precario equilibrio di Gio, che si abbandona a una deriva autodistruttiva senza via d’uscita. È sul punto di suicidarsi quando l’amore di Laura riesce a darle la forza di sopravvivere e guardare sotto le macerie della sua vita devastata.

Gio intraprende un viaggio doloroso nel profondo di se stessa, in cui ha modo di scoprire verità che le erano oscure e che gettano una luce inquietante sul suo passato. Ma ha anche la possibilità di riappropriarsi del suo essere più vero, che aveva abbandonato nel corso di una vita consacrata all’apparenza e al successo a tutti i costi.

Mentre tutto si ricompone in un quadro nuovo e sorprendente, un colpo di scena finale svela il mistero del “fantasma” e spiega la ragione dell’irruzione di Laura nella vita di Gio.

From reader reviews:

Paul Henson:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only the storyplot that share in the ebooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some analysis before they write on their book. One of them is this Un Solo Sangue (Officina Marziani) (Italian Edition).

Sylvia Cunningham:

Precisely why? Because this Un Solo Sangue (Officina Marziani) (Italian Edition) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Kristen Clifford:

Beside this particular Un Solo Sangue (Officina Marziani) (Italian Edition) in your phone, it might give you a way to get closer to the new knowledge or details. The information and the knowledge you might got here is fresh through the oven so don't be worry if you feel like an old people live in narrow community. It is good thing to have Un Solo Sangue (Officina Marziani) (Italian Edition) because this book offers to you readable information. Do you at times have book but you rarely get what it's interesting features of. Oh come on, that wil happen if you have this in the hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book and read it from at this point!

Manuel Arndt:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Un Solo Sangue (Officina Marziani) (Italian Edition) can make you sense more interested

to read.
